Conditions of Use:

1. This form is valid for three years from the date of signing. If, after 3 years, you are still a client of The Cridge Centre for the Family, we will request confirmation of continued permission.
2. We will not re-use any images for a period of 15 years after the granting of permission expires or after you ceased to be a client of The Cridge Centre for the Family.
3. We will not include details of full names (first name and surname) of any child or adult in the image or video, on our website, in printed publications, without good reason.
*For example, we may include the full name of a child pictured in a photo that accompanies a press release if it is important to the story (e.g. SunFun participant wins a derby car race). However, we will not include the full names of a group of children used in promotional literature.
4. We will not include any personal contact information of clients, including e-mail or postal addresses, or telephone or fax numbers in the video, on our website or in printed publications.
5. If we use images of individuals, we will not use the name of that client/child in the accompanying text or photo captions without good reason. If a client/child is named, we will not use a photograph of that client/child to accompany the article without a good reason.
6. We may use group or class images with very general labels, such as “Summer SunFun goes to the beach” or “making Christmas decorations”.
7. We will only use images of clients/children who are suitably dressed, to reduce the risk of images being used inappropriately.
